

Dear Parents,

Catholic Youth League basketball registration is now open with a deadline of May 5th. Grades K – 2 are coed, playing on ½ court and either 8 or 9 foot goals. Grades 3 through 7 play either all boys or all girls teams, full court, shooting at standard 10 foot baskets. Please review the attached registration form for information on the league including game dates and costs. Practice will begin the week after registration is complete and will be held in our gym on Tuesdays and Fridays (actual grade level practice times TBD after registration is complete).

Games are played on Saturdays at SMM and other Catholic school gymnasiums. We expect to host four or five Saturdays on campus so all players should have the benefit of playing many of their games at home. For added information on CYL sports please review the leagues web page at <http://www.catholicyouthleague.org/basketball.htm> or feel free to contact me directly either by email or phone.

Don't delay! Send in your registration early as late registrants may not be accepted due to team size constraints.

CYL Sports always needs and welcomes new coaching volunteers. If you are interested in coaching please contact me ASAP as all coaches must be fingerprinted and clear diocese required background checks and you will need to start this process ASAP if you are not already cleared.

Thanks for supporting CYL sports here at St. Mary Magdalen!

Sincerely,

Chris Larkin
SMM CYL Sports Representative
