

# Summer Camp

*St. Mary Magdalen Early Learning Center*

Our days are filled with sports, arts and crafts, swimming, bowling, movies, roller skating, gymnastics, computer fun, lots of field trips to places like Gatorland, Wonderworks, Orlando Science Center, Medieval Times, DeLeon Springs, Orlando History Center and much more!

All this plus nutritious snacks and lunches are provided in one low weekly price. Space is limited, so hurry! Five year olds entering kindergarten in August through the 4th grade.
