Mary M. McKiernan, Principal

March 26, 2009

Dear Parents,

We are now in the fourth week of Lent. The teachers and students have diligently prepared the live Stations of the Cross and we are pleased that so many parents and parishioners have been able to come and pray with us.

We are preparing for our annual field day which will take place on April 7th. Mr. Clark, our coordinator, will be in touch with the volunteers who signed up during back to school nights. If we need more volunteers, we will call on you. Please pray for good weather. The day is a fun day.

Our Aqua Gamers of 2007-2008, Ethan Brennan, Tucker Smith, Shandy Sulen, Sarah Joyce, Lauren Nunez, and Anna Burbank, have once again been invited to Washington, DC as the Carbon Footprint Stompers. This year, they designed an eco-friendly educational game and have entered it into the Sally Ride Toy Challenge.

Shandy did not participate in the Toy Challenge this year. He chose another project. The group will be going to Washington, DC on May 14th. This success does not typically happen twice in a row. These students and their teacher, Mrs. Deborah Gordon, are a unique and talented group of thinkers and problem solvers. St. Mary Magdalen School is proud of you all.

On Monday, March 30, 2009, our 6th and 7th graders will participate in a Retreat. Their Retreat will be led by Mr. Victor Sorondo, Campus Minister for Bishop Moore Catholic High School, assisted by Bishop Moore peer ministers. We ask that you pray for our students as they take time out to reconnect with God, and each other, enriching their spiritual growth.

"Principal for the Day" is a special honor auctioned off at our Annual School Auction. We look forward to our Principal for the Day, Miranda Zalewski (Grade 8), leading our fine school on Tuesday, March 31, 2009.

Congratulations to Mrs. Roxanne DeLeon for keeping our website current, and user friendly. Please visit the website and view the testimonials that have been written by the class of 2009 students.

God Bless,
Mary McKiernan, Principal
