Mary M. McKiernan, Principal

November 12, 2008

Dear Parents,

Congratulations to Adam Basquill-White, our eight grade student who was recognized at the Maitland Rotary Club last Tuesday. Adam was chosen for this privilege by the school administration and teachers. He is a model student with excellent character, superior academics, and is a great athlete. We are proud of Adam.

Please come and join us for our Home and School general meeting on Tuesday evening, November 18, 2008 in the school cafeteria beginning at 7:00 pm. November is Parent Education Month. Our guest speakers, Tina Dyer and Diane Hanberry from Seminole County will share with you information about Federal and State funding available to your children. You will hear about the work of our Home and School organization, including an auction update, the annual Shrimp Dinner and Catholic Schools Week. The entertainment for the evening will be our Middle School Players. What a treat and a preview to the drama performance which will take place January 31 and February 1, 2009.

Our eighth graders will be on retreat this Thursday, November 13th in our Family Life Center. The retreat will offer the students the opportunity to set goals for their future. It is also a time to recognize and celebrate each other's gifts as they come to the end of their time together as students at St. Mary Magdalen Catholic School. Let us all join with the Class of 2009 in prayer for our school, our parish and our country.

God Bless,  
Mary McKiernan, Principal
